BREAUX BRIDGE HIGH SCHOOL
VOLUME XIV

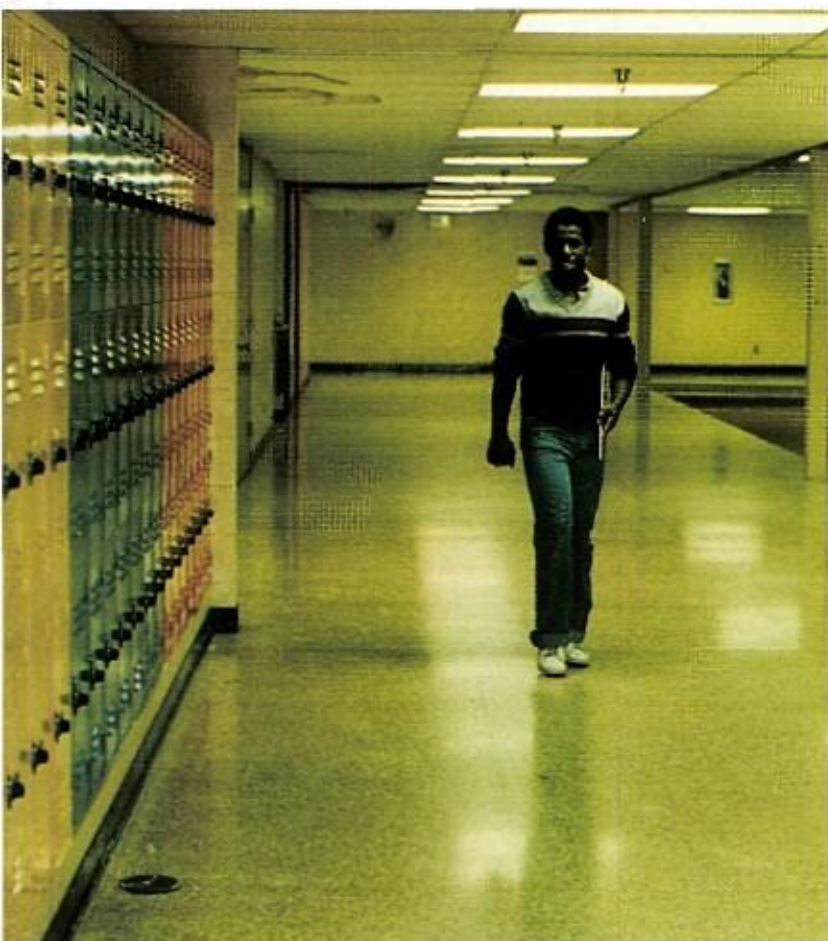

A DAY IN THE LIFE OF A BBHS COWPOKE

Cowpokes make their way along the trails toward Breaux Bridge High in various ways. Some come in cars or buses and some even come on foot. The classrooms are a bit different from the one room country school of the west, but the aim, to obtain knowledge, is the same.

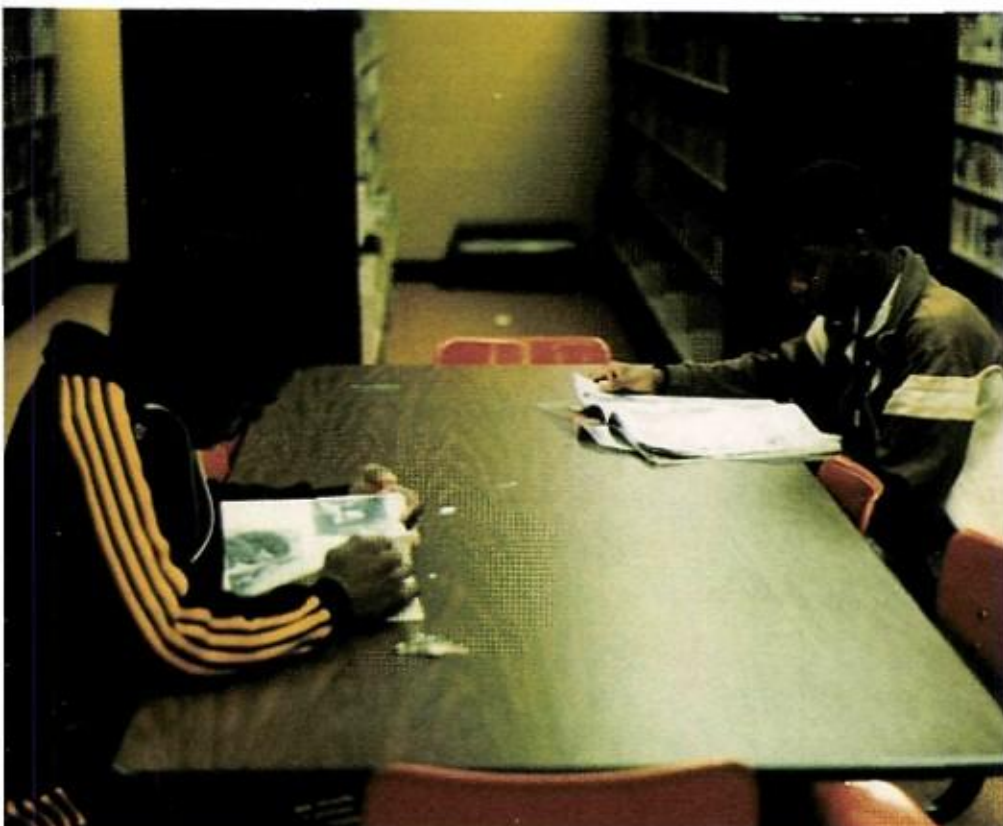

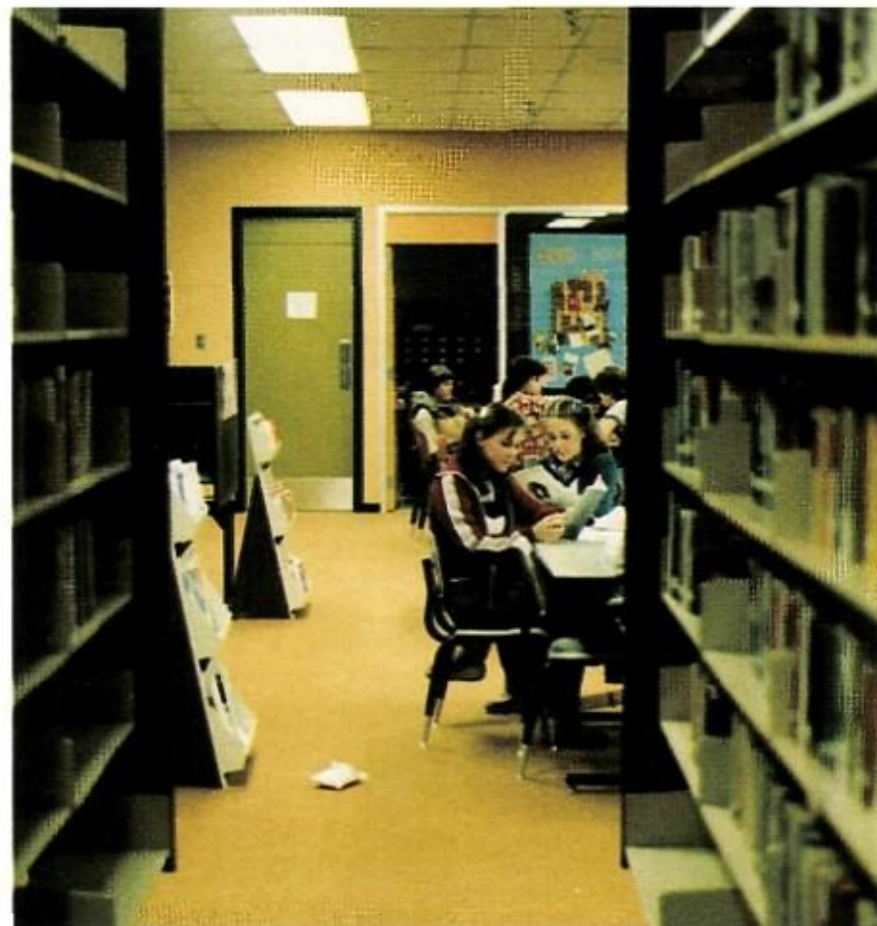

BBHS

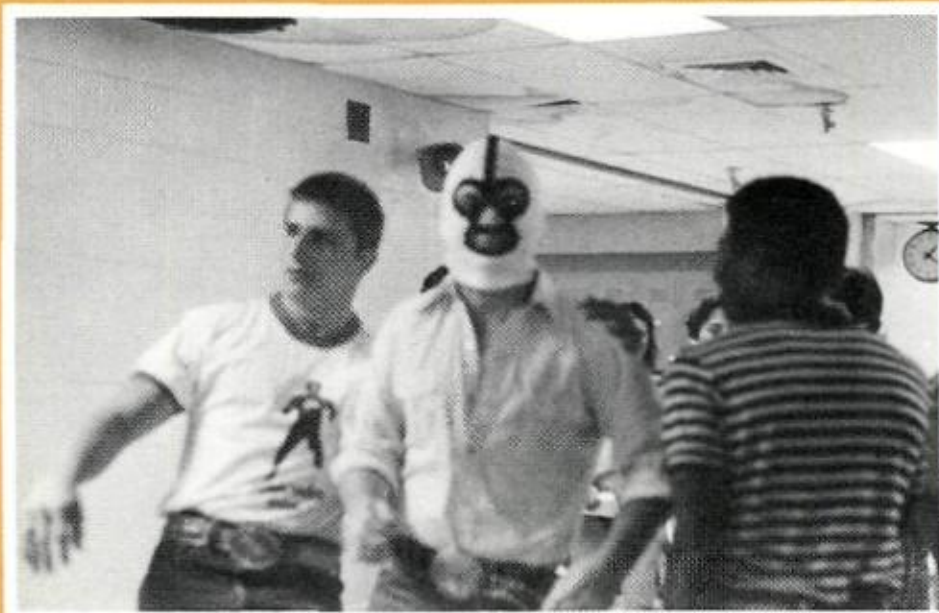

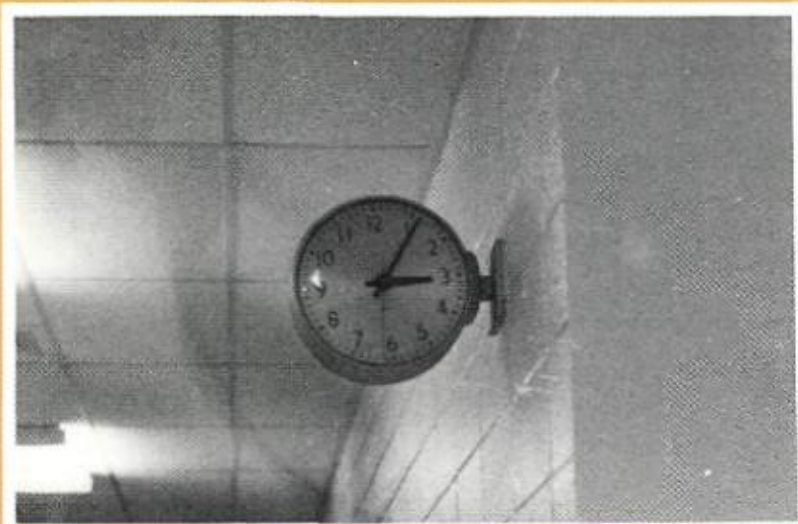

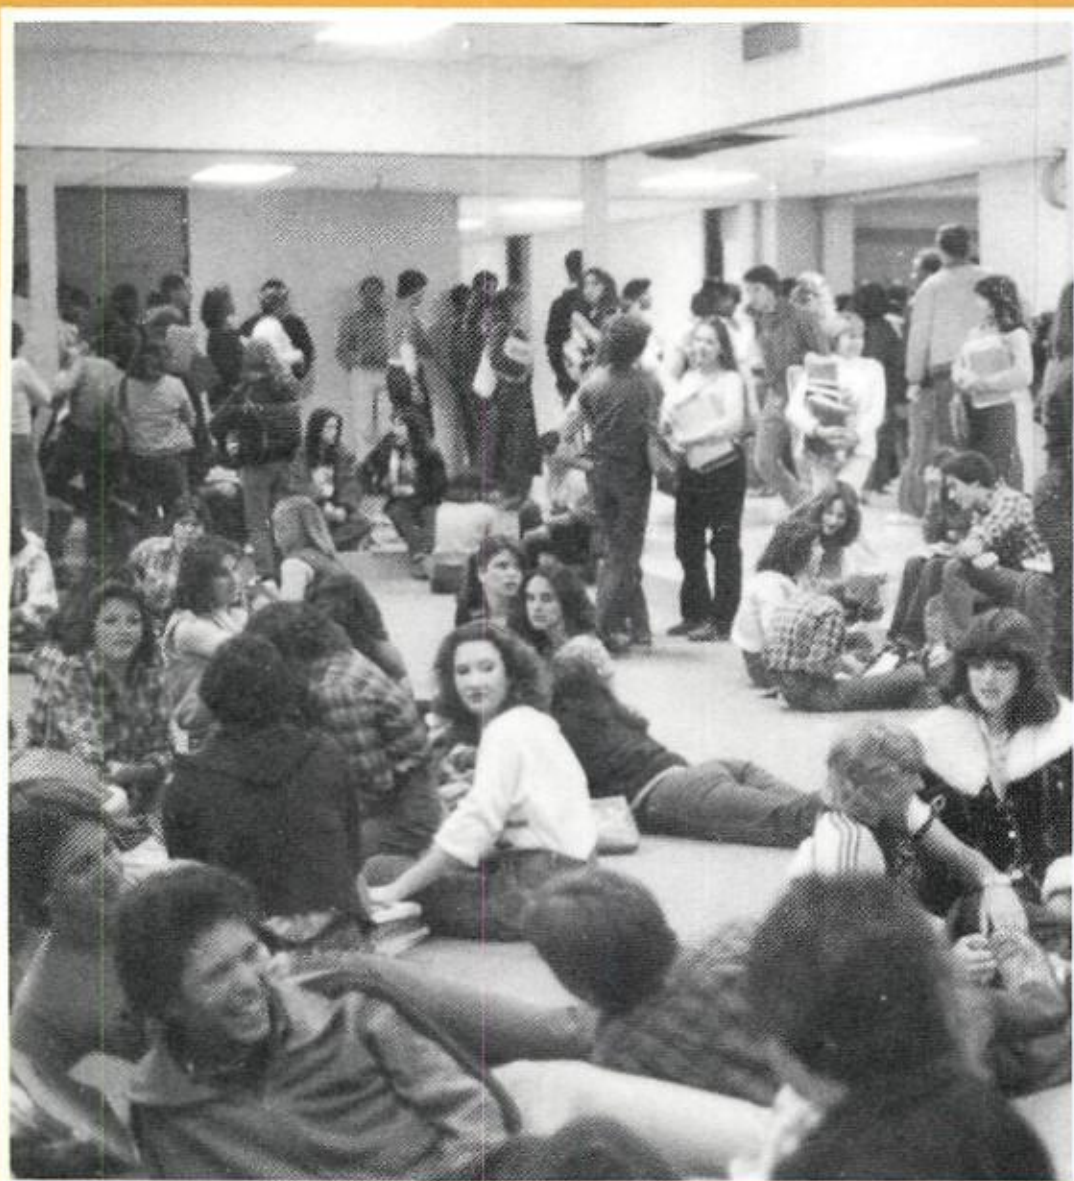

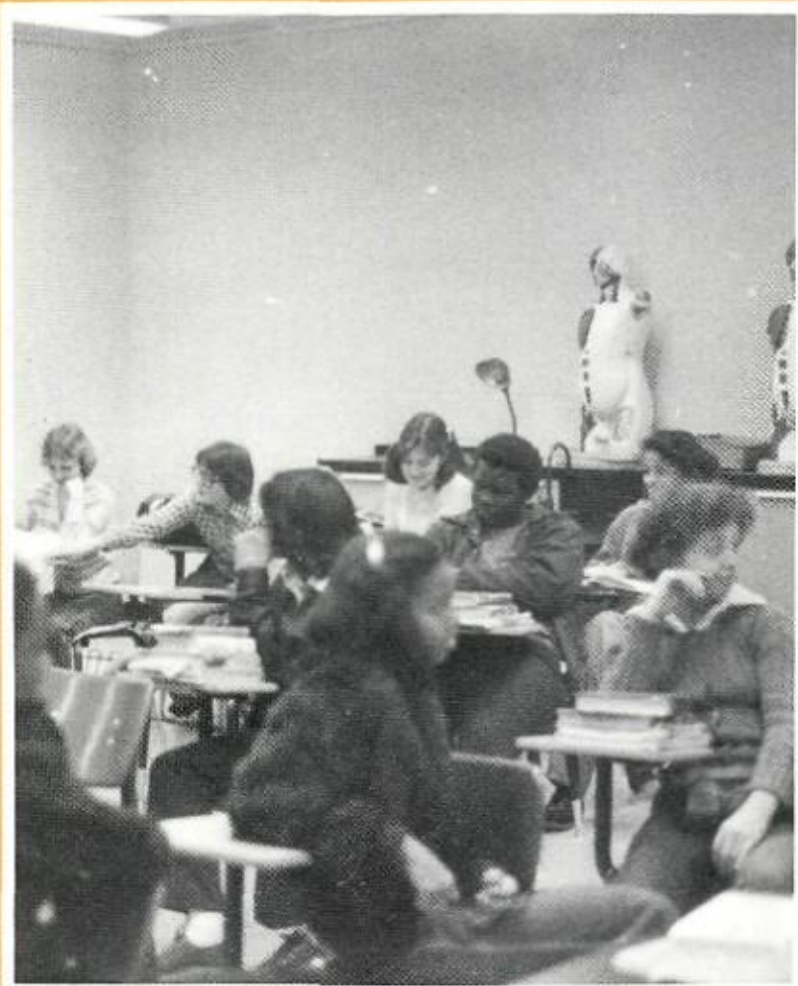

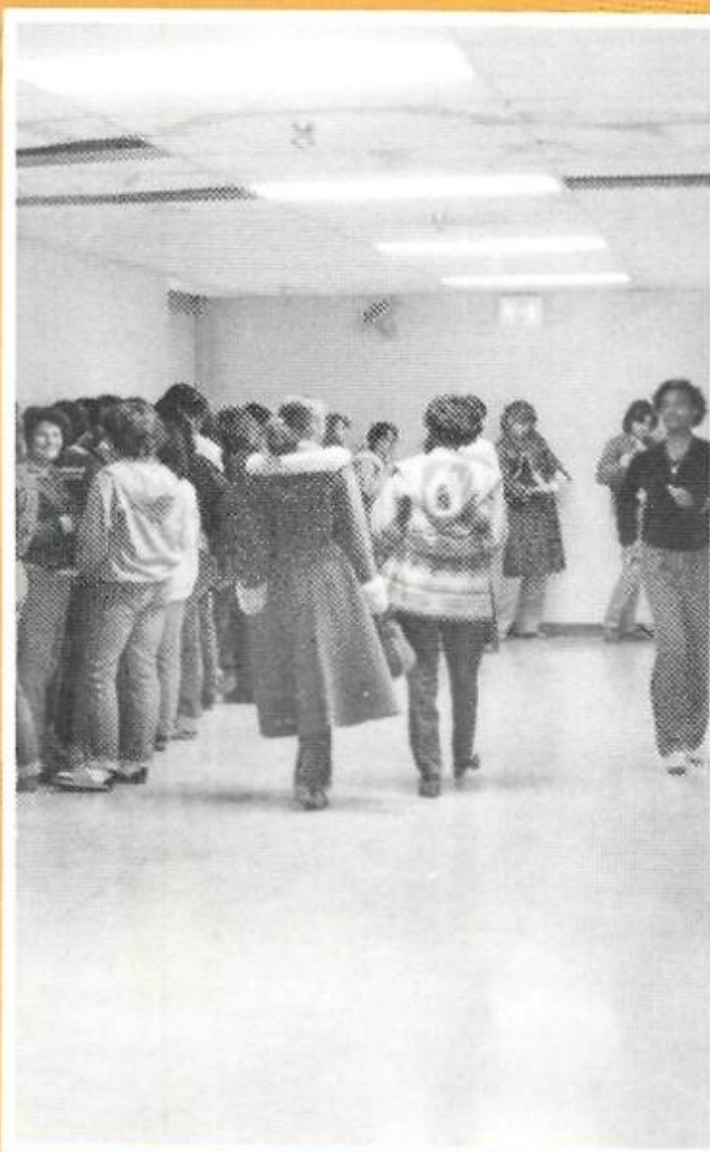

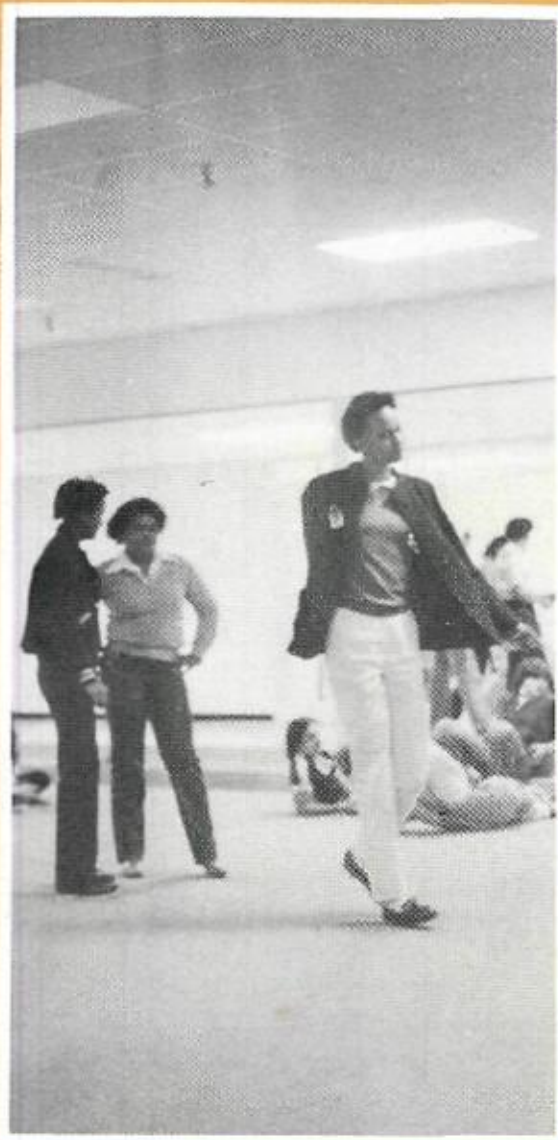

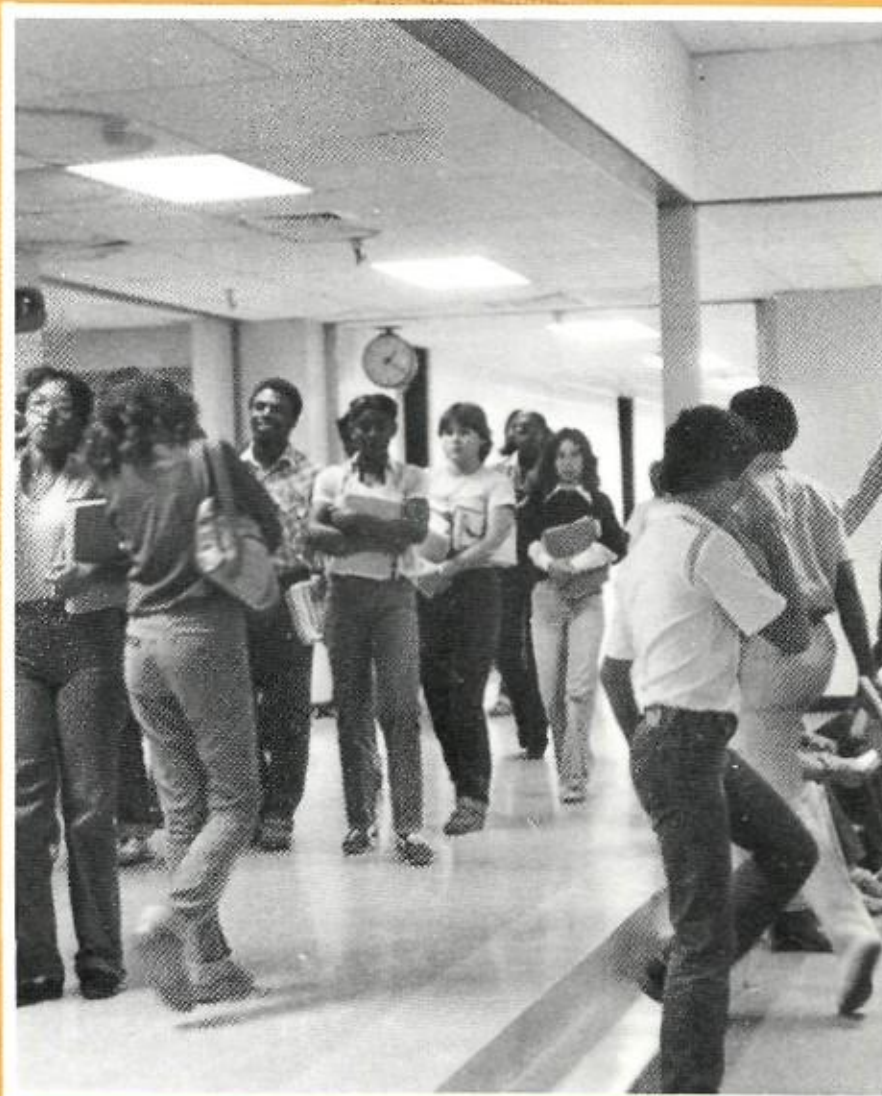

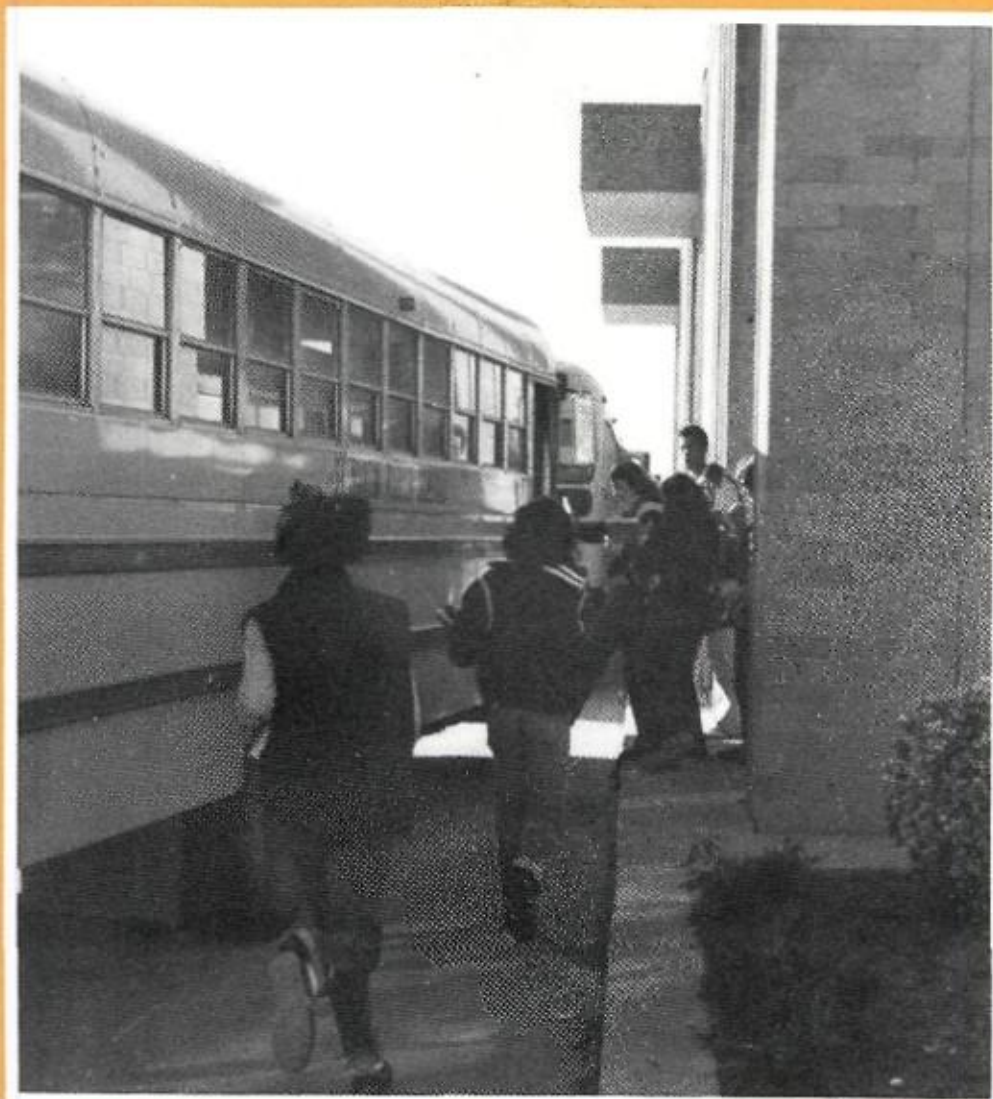

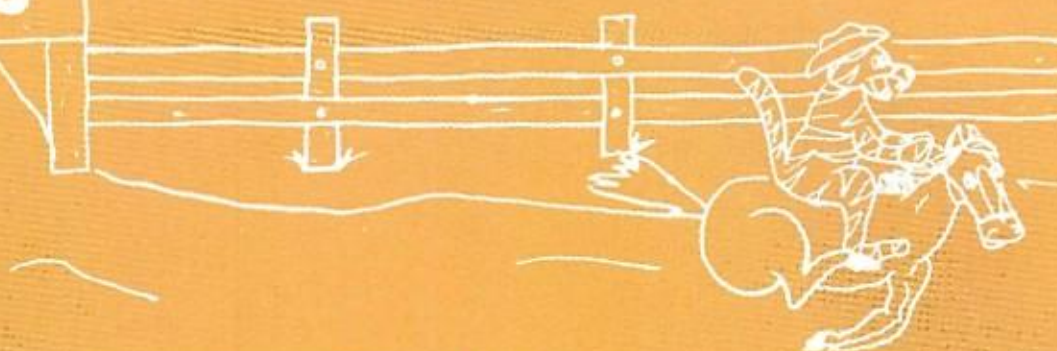

Chow time means food, "horseplay", gossip, last minute studying, or relaxation in the coral.

Students spend time in their classrooms anxiously anticipating the time when they will be heading back to their old homesteads. At the sound of the 3:05 bell the cowboys and cowgirls rush to lockers, buses, and cars as the day reaches its end.

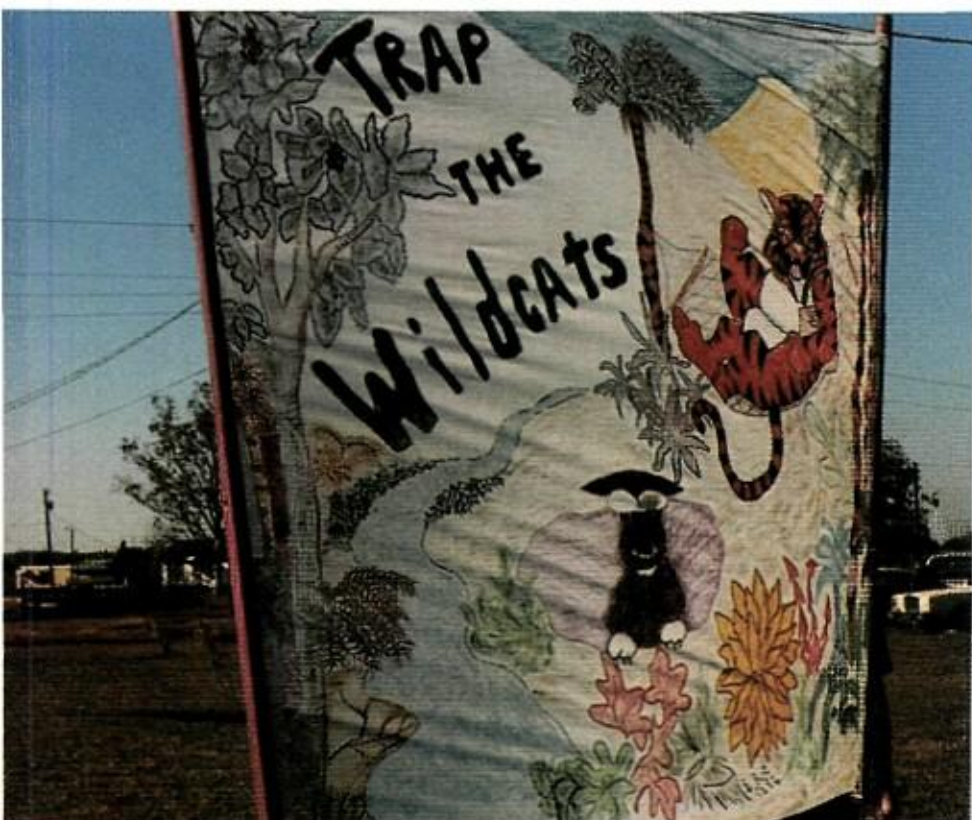

HOMECOMING

The theme of the 1980 Homecoming was "jungle safari". Two highlights of homecoming were the court and the banner competition. The members of the court were **(right group sitting left to right)** Cathy Alexander, Rose Wiltz, Sharon Degeyter, and Susan Champagne. **(standing left to right)** Cathy Zeno, Sandra Nelson, Arlene Wyche, Rebecca Townsend, Roxanne Batiste, and Amy Castille. **(left group-sitting left to right)** Mattie Lanaux, Cheryl Calais, Pam Hebert, Kelley Cormier, and Connie Calais. **(standing left to right)** Phyllis Guidroz, Stacey Landry, Karen Cormier, Melanie Lanaux, and Sandra Jolivette. Mattie Lanaux was crowned 1980 Homecoming Queen.

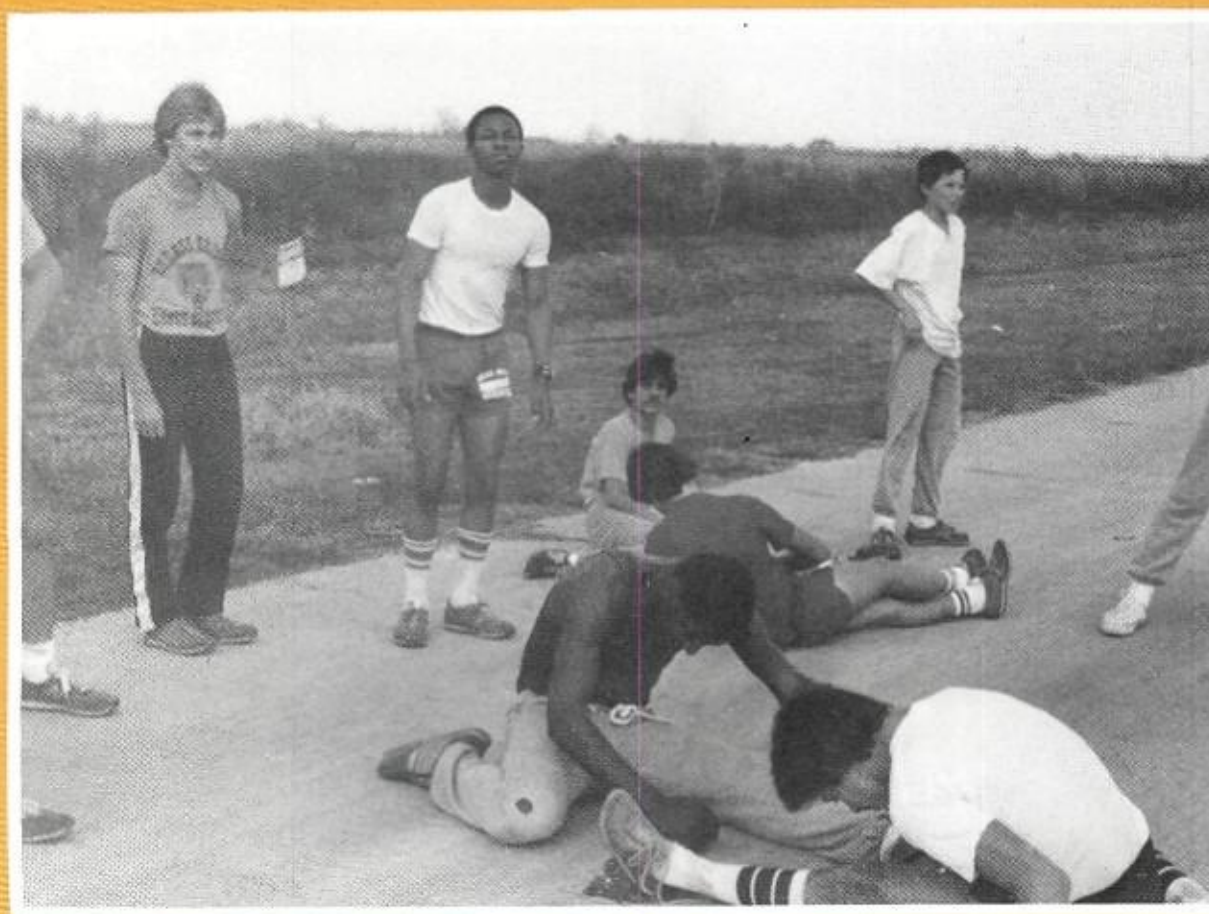

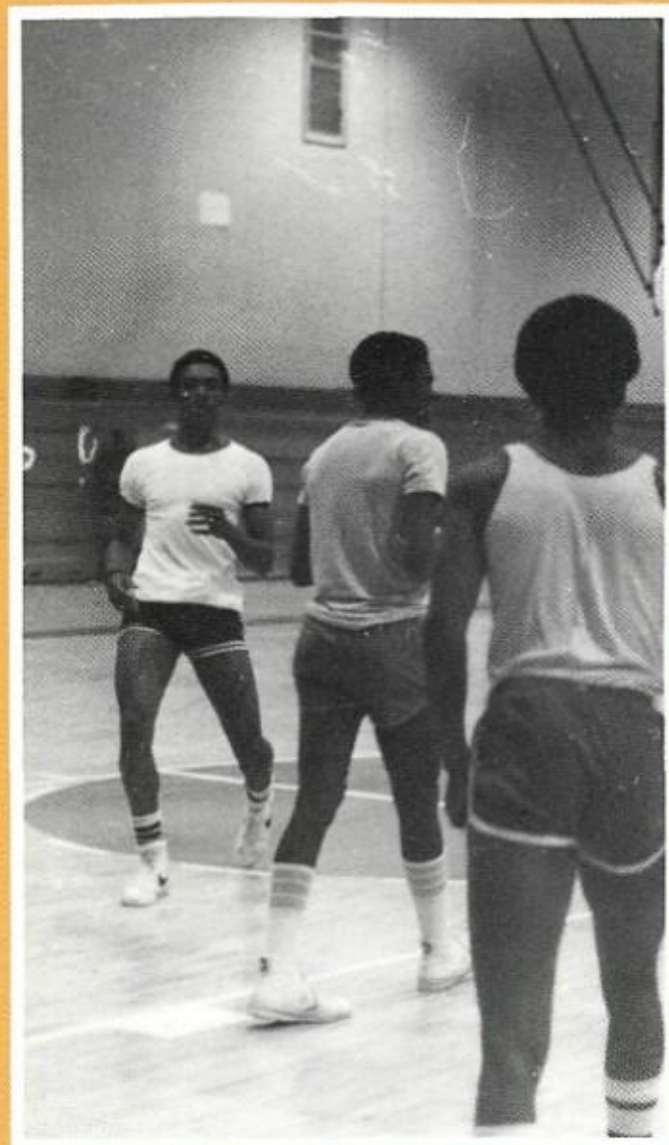

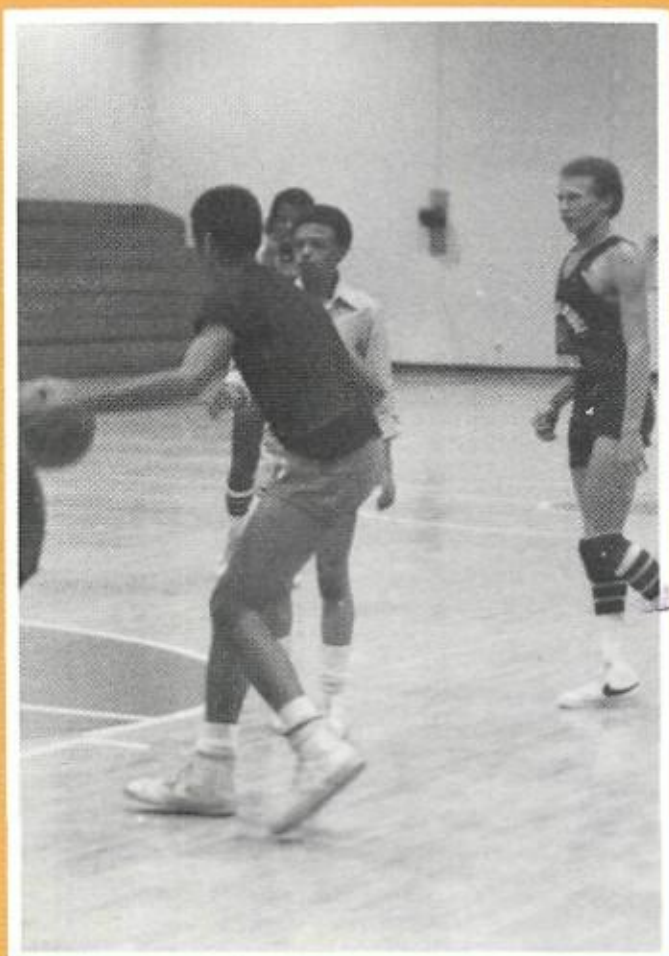

1980

Congratulations to the juniors for winning the banner competition held during Homecoming Week.

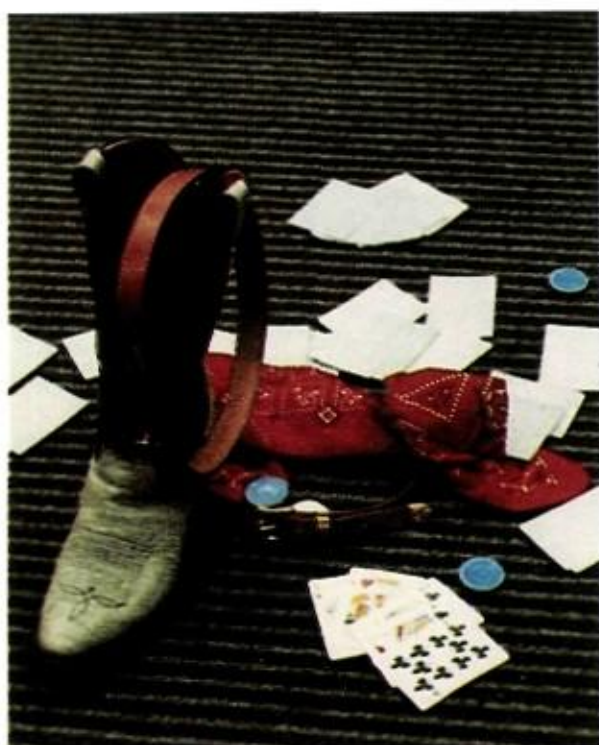

The extracurricular activities that the Breaux Bridge cowpokes participate in may not be the same as those in the day of the Old West, but are similar because they require skill, practice, and a whole lot of dedication from each and every cowpoke.

BBHS

Western styles spread throughout Breau Bridge this year. Everyone went cowboy! The styles which became popular were cowboy hats, boots, and shirts. A new pas-time for students was going to Country & Western concerts. Some of the singers who have performed in the Louisiana area are Ronnie Milsap, Conway Twitty, Dotty West, Kenny Rogers, Merle Hagard, and John Connolly.

DISTRICT V BETA MEETING

On October 11th the Breaux Bridge High Beta Club hosted the 1980 District V Fall Beta Meeting. Students from Teurlings, Sunset, Loreauville, and Delcambre High attended. All the members attending dressed in western clothes to depict the theme of the meeting which was "Cowboy Day". Western music was provided as entertainment and all in attendance joined in and did the "Cotton-eyed Joe". The meeting proved to be a great success.

1981

On May 31, 1980 the seniors of '81 received their graduation rings. The excitement felt by these seniors quickly spread throughout the school. The seniors actively involved the rest of the student body by having them carry out the tradition of ring turning. It won't be the same after May 15, 1981 when the seniors leave.

IN MEMORIAM

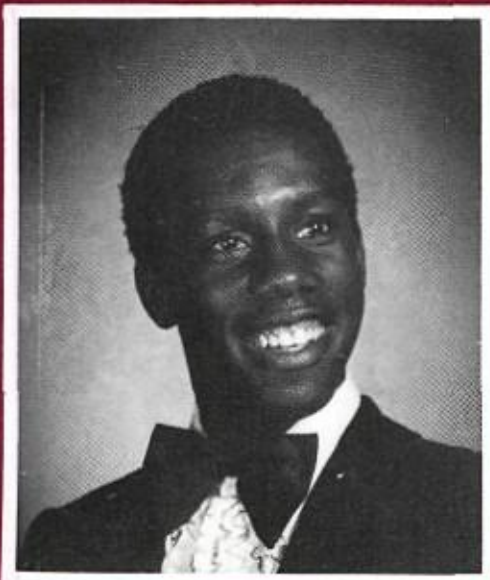

ANTHONY CHAMPAGNE

Your gentle face and patient smile
With sadness we recall
You had a kindly word for each
And died beloved by all.

The voice is mute and stilled the heart
That loved us well and true,
Ah, bitter was the trial to part
From one so good as you.

You're not forgotten loved one
Nor will you ever be,
As long as life and memory last
We will remember thee.

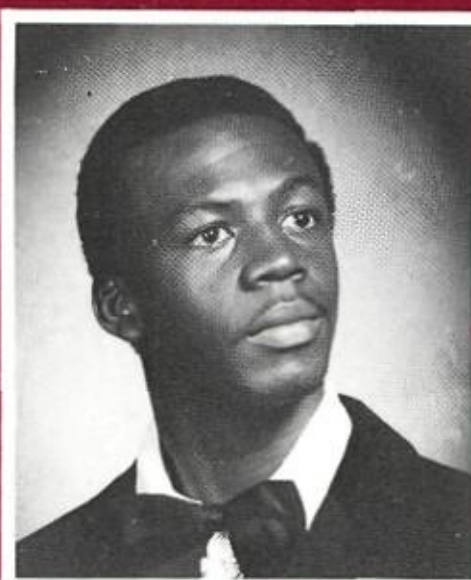

We miss you now, our hearts are sore,
As time goes by we miss you more,
Your loving smile, your gently face,
No one can fill your vacant place.

BUYING MEMORIES

Extravagant spending
May seem a bit distasteful,
But if it buys a memory
Such spending is not wasteful.
And every purchased rose
Leaves memories sweet to cherish,
And fragrance of memories cling
Long after roses perish.
Love is a spendthrift thing —
Giving, always giving,
And wise is he who buys
Some memories worth reliving.

Bahla,
 Well it's finally
 coming to an end!
 and what good memories
 you and I have to
 share. Do you remember
 PoE in Mrs. Romero's class
 there was one girl that
 was always getting hurt
 for one reason or another
 (?) And all those times for
 lunch, when I was going out
 with you know who! But best of
 all the bonfire, it had the best
 time. (we're going to have to do
 it again this year). Your friend-
 ship has meant a lot to me.
 It seemed like we were always
 there for each other. Remember
 some of our most personal secrets
 Our friendship must always
 last forever!

 so happy when it

A TALE OF TIGERS **BY GLENN BOUDOIN**

By the time we realize the seasons at an end,
Reflections fill our minds of what could have been.
Each game in it's own little way
Added a chapter to our saga, at work or at play.
Unending hours we spent learning all of the plays.
X's and O's filled our nights and also our days.

Berwick fell first in the tough district race.
Rounding out to top form we put SM flat on its face.
If fate and Lady Luck hadn't stepped in,
Doubtless we'd have left Bulldog field with a win.
Grinding out yardage by land and by air,
Easily we dropped the Gents, with power to spare.

Many wondered what happened on that fateful night,
In our own backyard, when Rayne turned out the light.
Gamely we fought back with a big Wildcat win,
Hoping Rayne would emerge, so we could get in.
That, however, was not to be, so we stayed home.
Yet with a few breaks here and there, we could have gone.

There's the Bulldog loss, with the 12-man block,
It cost us the game, with so little left on the clock.
Give Rayne that ill-fated two-point try,
Even that sure TD against Rayne, which we let go by.
Regardless of how the cards had to fall,
Students and fans can be proud, we gave them our all.

Cooperative Office Education (COE) is a work and training program for high school senior students who have completed the necessary prerequisite courses and are preparing for future employment in the business world. The COE program offers many advantages to the students. They are able to earn their own money, but more importantly, they learn to develop a sense of responsibility and an ability to work with others in an adult world where they can fully recognize the necessity of acceptable office behavior and desirable attitudes.

Where do I begin? First to a crazy girl, I've been knowing a long time, almost too long. (HA) well I remember all the times at N.P. Mass I know you won't forget. And we did have pretty many here at Broken Bridge. Although it isn't so bad here. Remember last year in math and this year again (OH God) And all the other crazy little things that make up our friendship. Good Luck on the future ^{with} what ever you decide to do and who ever you decide to marry. But most of all don't forget me cause I'm afraid it would be almost impossible to forget you. Stay the way you are and you might get along way!!
